

SCHEDULED PARK UNDER PLAN	DAY	DATE
Mason Park Homebush Pomeroy Bowling Club, Homebush Cooke Park, Strathfield South Begnall Reserve, Strathfield South Bay to Bay (between St Annes Reserve to Hume HWY)	Saturday	21 February 2009

Herbicides

Council will be spraying outdoor areas with Roundup Bio ® (active constituent Glyphosate) a chemical with a low toxicity ranking. Council may also use Spearhead, Destiny, Monument, Glyphosate 2:1.

Council will not perform spraying in wet or windy weather. Should extended periods of inclement weather be experienced during the weed spraying program updates will be posted on Council's website.

If you have any concerns prior to, or during the weed spraying program, please contact Council's Natural Resources Officer, Ms Bernadette Murray on 9748 9982 or on email bernadette.murray@strathfield.nsw.gov.au
