

MAYOR'S ROOM,
COUNCIL CHAMBERS
STRATHFIELD, 2135

MAYORAL MINUTE No. 35/13

WESTCONNEX – SECTION 94 LEVIES AND LAND ACQUISITIONS

RECOMMENDATION

That Council prepares a report regarding the Westconnex project relating to the use of Section 94 levies as part of the project and the acquisition of properties in Homebush West.

While we have not been informed officially, representatives from the WestConnex project have inferred on several occasions that it may use some of the Section 94 levies Council collects in the corridor for infrastructure, as well as acquire properties in Homebush West.

If this is true, it is completely unacceptable. Strathfield residents should not be the fall guys for the WestConnex motorway, but with the project barely underway, it seems that we are going to be unfairly burdened for the 'greater good'. This has already occurred with the Enfield Intermodal Logistics Centre; we cannot let this happen again to the people of Strathfield.

CR DANIEL BOTT
MAYOR
3 DECEMBER 2013
