**LANDSCAPE NOTES:**
- All landscape works are to be implemented for at least three months after final landscaping is complete.
- All plants are to be watered thoroughly during this period, ensuring adequate watering, watering, watering (if necessary) and maintaining soil moisture to support vigorous growth. Any plants or areas of turf which fail during this period are to be replaced.
- **IRRIGATION:** All areas on the landscape plan are to be covered by a fully automatic irrigation system. The system is to provide full coverage with no sprinkler onto paved areas. The system is to be commissioned by the builder.
- **SCALE:** All installation is to satisfy the Sydney Water Code and AS 3500.

**PLANT SCHEDULE:**
- The total number of plants to be installed is to be determined at the time of commencement of works.
