1. Introduction

1.1 Title

This plan is titled the Airey Park Plan of Management.

The current plan was adopted by Council resolution at the meeting of xx and replaces the Airey Park Plan of Management 2008.

This plan of management applies to land located at Airey Park including Sutherland Reserve. Airey Park is bounded by Bates Street, Badgery Avenue, Fraser Street, The Crescent and Kessell Avenue.

The buildings located in Airey Park are included in the Community Facilities Plan of Management.

Ownership, lot details and zoning information is set out in Table 1 (based on information in Council's Geographical Information System GIS 2019). The location map of Airey Park is set out in Figure 1.

Table 1 – Ownership, title and zoning details

Owner	Lot Details	Zoning Strathfield LEP 2012
Strathfield Council	Lot 1-2 DP 126151	RE1 Public Recreation
Strathfield Council	Lot 1 DP 914922	RE1 Public Recreation
Strathfield Council	Lot 45-46 DP 10055	RE1 Public Recreation
Strathfield Council	Lot 68 Section 2 DP 12467	RE1 Public Recreation

Figure 1 – Airey Park Location Map

1.2 Purpose of this Plan of Management

The *Local Government Act 1993* and amendments to the *Crown Land Management Act 2016* require all public land including Crown Reserves, owned or managed by Council, to be classified as either 'community' land or 'operational' land. Land classified as 'community' land must be managed and used in accordance with an adopted Plan of Management. The land described in this Plan of Management is classified as community land.

Plans of Management are developed by Council in consultation with the community. A Plan of Management describes the features of the community land and outlines how the land may be managed and used, consistent with land categorisations, core objectives and zoning, to provide a transparent and co-ordinated approach to public land management.

The purpose of this Plan of Management is to:

- contribute to the strategic goals and vision as set out in the Strathfield Community Strategic Plan
- ensure compliance with the *Local Government Act 1993* and relevant legislation and guidelines
- provide clarity regarding use and access to the community land as described in this plan.

1.3 Contents of this Plan of Management

This Plan of Management is divided into the following sections, as outlined in Table 2.

Table 2 – Structure of this Plan of Management

Section	What does it include?
1. Introduction	Title, land covered by plan, purpose, contents and review of the plan
2. About the Strathfield LGA	Recognition of traditional custodians, Strathfield LGA snapshot, trends, community vision, legislative and policy framework and references.
3. Land – category, classification, use and access	Site description, land use/history, land categories and classifications, maps, use of land and structures, environmental features, condition of land and structures and heritage.
4. Land Uses	Permissible uses and development, scale and intensity of use, authorisation of leases, licences and short-term uses.
5. Management of the land	Objectives, performance targets, means and manner for assessment of performance

1.4. Change and Review of Plan of Management

This Plan of Management will require regular review in order to align with community values and changing community needs, and to reflect changes in Council priorities. The performance of this Plan of Management will be reviewed on a regular basis to ensure the use of land and structures is well maintained and consistent with Council's strategic objectives and community values.

Strategic reviews of this Plan of Management will be required where there is significant change to legislation, land ownership/management or proposed land use. Regular reviews should occur at five (5) year intervals.

2. About the Strathfield Local Government Area

2.1 Recognition of Traditional Custodians

Strathfield Council acknowledges the Wangal people, the traditional Custodians of the lands on which the Strathfield area is located. We pay respect to Elders past, present and emerging.

2.2 Snapshot of Strathfield Local Government Area (LGA)

The Strathfield Local Government Area (LGA) is well known for transport connections, educational opportunities, attractive streetscapes, parks, heritage and buildings. The Strathfield LGA is centrally located in Sydney's Inner West, approximately 10.5 kilometres from the Sydney CBD and half way between Parramatta and the Sydney CBD. The LGA includes the suburbs of Strathfield (postcode 2135), Strathfield South (2136), Homebush (2140), Homebush West (2140), part of Belfield (2191) and part of Greenacre (2190). Sydney Markets (postcode 2129) is also located within Strathfield LGA.

Strathfield LGA is well known for its extensive green open spaces and high quality recreational facilities, which enhance the liveability, amenity and sustainability of the local area. The Strathfield LGA has a total area of approximately 1390 ha (13.9km²) with 104 ha of the total area being public open space (2018 estimates). There is currently 9.06 ha of remnant bushland in the LGA and about 6 ha is under Council management.

In 2019, the estimated residential LGA population was about 47,000 residents and by 2041, the resident population is estimated to reach over 80,000 people (NSW Planning 2019). The growing population and accompanying building density will increase demand for access to and usage of available open space and community facilities. Therefore, management of community land is of critical important to current and future communities.

Open spaces range from regional and district sporting grounds to smaller local parks and reserves. Significant parks with major sporting facilities include Airey Park, Bressington Park, Bark Huts Reserve, Begnell Field, Cooke Park, Hudson Park, Mason Park and Strathfield Park. Many local biodiversity conservation and habitat connectivity priority areas, including flora and fauna assets, are located within Strathfield LGA's parks and reserves. A number of connected parks and open spaces form the Cooks River Foreshore open space network, an important local and regional habitat corridor and pedestrian and cycle transport connection.

Strathfield LGA also provides many community facilities, located on community land including meeting rooms, halls and community centres which are available for hire by groups and individuals for sporting, community, recreation, social and other purposes.

2.3 Strathfield LGA community and recreational trends

Some of the challenges facing the Strathfield LGA include increasing and competing demands for public open space and community facilities. Strathfield Council is strongly focused on identifying and meeting the current and future needs of the Strathfield community in a sustainable manner.

Recent community engagement and analysis of social and recreational trends indicate increasing participation in recreation, sporting and leisure activities such as organised team sports, walking, cycling, running, aerobic fitness and dog walking. There is increased demand for access to community and recreation facilities, outdoor and indoor.

Priorities for Council involve increasing the capacity of local community facilities, parks and sportsgrounds, developing new community and recreational facilities as required and ensuring equity of access to land and facilities, to meet changing and diverse needs.

2.4 Community Vision and Key Strategic Directions

The community vision describes the community's aspirations for the future of the Strathfield Local Government Area by 2030:

"Strathfield is a culturally diverse and socially cohesive community with respect for its heritage and environment and proud of its well-connected transport, business and educational institutions".

Strathfield 2030 is the community strategic plan for the Strathfield Local Government Area until 2030. The plan was developed following extensive community engagement and is divided into the key themes of Connectivity, Community Wellbeing, Civic Pride and Management. Liveable Neighbourhoods and Responsible Leadership. This plan particularly aligns with Council's strategic goals of Healthy and Active Communities (2.2), Safe and Accessible Places (2.3), Thriving and Resilient Environment (4.3) and relevant actions set out in the four year Delivery Program and annual Operational Plan.

This plan is aligned with the Strathfield Local Strategic Planning Statement (LSPS) which defines the long term vision for land use and infrastructure provisions within the Strathfield LGA and supports place within the Greater Sydney and District planning frameworks. This plan of management aligns with the LSPS Priority P13 'Biodiversity and ecological health and resiliency is conserved, restored and enhanced' and Priority P15 'Quality Open Spaces and thriving green corridors offset the impacts of growth across the LGA' and action plan A93 to review and prepare new plans of management.

2.5 Legislative and Policy Framework

The following legislation and policies provide a framework for the preparation of this Plan of Management.

Local Government Act 1993 (NSW) (LG Act) requires the preparation of Plans of Management (POMs) for Council owned land, and requires all community land to be categorised.

Environmental Planning and Assessment Act 1979 (NSW) (EP&A Act) is the principal planning legislation for NSW, that provides a framework for the environmental planning and assessment of development proposals and preparation of environmental planning instruments (including the Local Environmental Plan or LEP).

Crown Lands Management Act 2016 (NSW) (CLM Act) governs the planning, management and use of Crown land, including provisions to reserve or dedicate lands for a prescribed public purpose and for leasing and licensing. Crown land under Council management requires classification and categorisations under the LG Act and preparation of Plans of Management.

Biodiversity Conservation Act 2016 (NSW) (BC Act) requires that Councils consider the impact on threatened species, populations and communities in fulfilling their statutory responsibilities under the EP&A Act for development approvals. It also covers management of threatened species and communities on Council owned lands.

Environment Protection and Biodiversity Conservation Act 1999 (Commonwealth) (EPBC Act) provides a national scheme for environmental protection and biodiversity conservation, and incorporates referral mechanisms and environmental impact assessment processes for projects of national significance.

State Environmental Planning Policy 19 – Bushland in Urban Areas aims to protect and preserve bushland in the Sydney Metropolitan area. The SEPP is concerned with disturbances and development affecting bushland areas.

Companion Animal Act 1998 (NSW) requires the identification and registration of companion animals (e.g. cats and dogs) and sets out the duties and responsibilities in relation to management of animals and specific areas of land.

Local Land Services Act 2013 (NSW) provides a framework to ensure the proper management of natural resources in the social, economic and environmental interests of the State. Strathfield is part of the Greater Sydney Local Land Services (GSLLS), which provides guidance on matters such as community engagement, biosecurity and weeds.

3. Land – category, classification, use and access

3.1 Description of site

Airey Park is over seven hectares in size and one of Strathfield's largest parks. There are entries to Airey Park from Bates Street, The Crescent, Badgery Avenue, Fraser Street and Kessell Avenue.

Most of the park is dedicated to the provision of formal sporting and other recreational facilities, including a cricket oval (summer activity), which doubles as a rugby league and soccer ground (winter activities), a barbecue and recreation area, community centre, two children's centres and a public car park.

Saleyards Creek, a concrete canal, runs in a north-south and north-east to south-west through the long axis of the park, near the western boundary. The park contains a biodiversity connectivity priority area of core native habitat that supports locally important fauna and flora on either side of the canal. The park has open grassed areas, playing fields and revegetated parkland mostly indigenous vegetation on the northern and western edges abutting Saleyards Creek and fringing Alan Davidson Oval.

A bicycle/path occurs on the western side of the canal, linking The Crescent with Fraser Street, and intersecting with another path that crosses the canal at one end and links up with Badgery Avenue at the other end.

3.2 Land prior use and history

Airey Park was first dedicated in 1920 as a public park and named in honour of Joseph Airey, an Alderman of Strathfield Council (1917-24). Airey was the Vice-Chairman of Strathfield Council's finance committee and was instrumental in inducing the firm of Marcus Clark, which he was Managing Director, to donate land to Council for a public park. The dedication of seven and half acres from the Executors of Clarke's estate in 1919 forms the core of this large park. Strathfield Council subsequently acquired additional land which has increased the size of this park.

The sporting oval was constructed by Council in 1958 with support from Homebush Boys' High School and their Old Boys' Union. A memorial plaque was dedicated to former pupils of the School who served in World War II. In 2003, Airey Oval was renamed Alan Davidson Oval. Davidson is a former Australian Test Cricketer and long term local resident of Strathfield. The Arthur Cave Pavilion is named for a former Mayor and has been rebuilt several times and provides amenities and clubhouse facility adjacent to the Oval. Airey Park also contains a number of community based facilities including the Strathfield Children's Centre, Strathfield Sessional Preschool and the Strathfield Community Centre. Both the Strathfield Children's Centre and Preschool were former Lawn Bowling Clubs. The Strathfield Community Centre was built in 1990.

A small section of the park facing Kessell Avenue was named Sutherland Place and was dedicated as a rose garden. Sutherland Place was named for Keith Sutherland, Alderman (1937-1959) and Deputy Mayor (1954-1955) of Strathfield Council.¹

3.3 Categories and classifications of community Land

The management of community land is governed by the categorisation of the land, and the core objectives of the relevant category of community land. The core objectives for each category are set out in the *Local Government Act 1993*. The guidelines and core objectives for relevant categories are set out in Table 3.

Table 3 – Guidelines for and core objectives of community land

Category	Guidelines ²	Core objectives ³
Park	<i>Regulation cl.104</i> Land which is, or proposed to be, improved by landscaping, gardens or the provision of non-sporting equipment and facilities, and for uses which are mainly passive or active recreational, social, educational and cultural pursuits that not unduly intrude on the peaceful enjoyment of the land by others.	<i>Category Park – (Section 36G)</i> <ul style="list-style-type: none"> • encourage, promote and facilitate recreational, cultural, social and educational pastimes and activities. • provide for passive recreational activities or pastimes and for the casual playing of games. • improve the land in such a way as to promote and facilitate its use to achieve the other core objectives for its management.
Sportsground	<i>Regulation cl.103</i> Land should be categorised as 'sportsground' if the land is used primarily for active recreation involving organised sports or the playing of outdoor games.	<i>Category Sportsground - (Section 36F)</i> <ul style="list-style-type: none"> • to encourage, promote and facilitate recreational pursuits in the community involving organised and informal sporting activities and games, and • to ensure that such activities are managed having regard to any adverse impact on nearby residences.
General Community Use	<i>Regulation cl.106</i> Land that may be made available for use of any purpose for which community land may be used, whether by the public at large or by specific sections of the public	<i>Category General Community Use - (Section 36I)</i> <ul style="list-style-type: none"> • to promote, encourage and provide for the use of the land, and to provide facilities on the land, to meet the current and future needs of the local community and of the wider public: <ul style="list-style-type: none"> - in relation to public recreation and the physical, cultural, social and intellectual welfare or development of individual members of the public. - in relation to purposes for which a lease, licence or other estate may be granted in respect of the land (other than the provision of public utilities and works associated with or ancillary to public utilities).

² *Local Government General Regulation 2005*

³ *Local Government Act 1993*

Category	Guidelines ²	Core objectives ³
Natural Area	<p><i>Regulation cl.102</i></p> <p>Natural areas are where land, whether or not in an undisturbed state, possesses a significant geological feature, geomorphological feature, landform, representative system or other natural feature or attribute that would be sufficient to further categorise the land as bushland, wetland, escarpment, watercourse or foreshore</p>	<p><i>Natural Area - (Section 36E)</i></p> <ul style="list-style-type: none"> • to conserve biodiversity and maintain ecosystem function in respect of the land, or the feature or habitat in respect of which the land is categorised to a natural area; and • to maintain the land, or that feature or habitat, in its natural state and setting, and • to provide for the restoration and regeneration of the land, and • to provide for community use of and access to the land in such a manner as will minimise and mitigate any disturbance caused by human intrusion, and • to assist in and facilitate the implement of any provisions restricting the use and management of the land that are set out in a recovery plan or threat abatement plan prepared under the <i>Threatened Species Conservation Act 1995</i> or the <i>Fisheries Management Act 1994</i>
Natural Area – bushland	<p><i>Regulation cl.107</i></p> <p>Land that contains primarily native vegetation that is the natural vegetation or a remainder of the natural vegetation of the land, or although not the natural vegetation, is still representative of the structure or floristics of the natural vegetation in the locality.</p>	<p><i>Natural Area - Bushland (Section 36J)</i></p> <ul style="list-style-type: none"> • to ensure the ongoing ecological viability of the land by protecting the ecological biodiversity and habitat values of the land, the flora and fauna (including invertebrates, fungi and micro-organisms) of the land and other ecological values of the land, and • to protect the aesthetic, heritage, recreational, educational and scientific values of the land, and • to promote the management of the land in a manner that protects and enhances the values and quality of the land and facilitates public enjoyment of the land, and to implement measures directed to minimising or mitigating any disturbance caused by human intrusion, and • to restore degraded bushland, and • to protect existing landforms such as natural drainage lines, watercourses and foreshores, and • to retain bushland in parcels of a size and configuration that will enable the existing plant and animal communities to survive in the long term, and • to protect bushland as a natural stabiliser of the soil surface.

Additional objectives which support the above core objectives are included in Section 5 Management of the land. The land classified as community land under the *Local Government Act 1993* is categorised as Park, Sportsground, Natural Area (Bushland) and General Community Use. The categorised areas are marked in Figure 3.

Figure 3 – Map of Airey Park land categorisations

3.4 Use of the land and structures at date of adoption of the plan

Airey Park provides a wide range of land uses, which accommodate sporting, recreational and community facilities.

The land on which Alan Davison Oval is built is categorised as a Sportsground. The Oval is used for a wide range of formal and informal recreation and sporting purposes.

A number of community facilities are built within Airey Park and these areas have been categorised as General Community Use, which reflects the use of these facilities as community centres, childcare etc.

The park contains areas that are identified as biodiversity connectivity priority area in the Strathfield Biodiversity Strategy. These are primarily located on either side of the canal, which separates the park, and have been categorised as a Natural Area (Bushland).

The majority of land in Airey Park is categorised as a Park. This land is used for active and passive recreation and leisure purposes.

3.5 Environmental Features

Airey Park has open grassed areas with revegetated mostly indigenous vegetation occurring on the northern and western edges abutting Saleyards Creek and fringing Alan Davidson Oval. Land located in the park was identified in the Strathfield Biodiversity Conservation Strategy 2019 as a biodiversity connectivity priority area. These core areas of habitat have been categorised as Natural Area (Bushland).

Airey Park provides core native habitat that supports locally significant fauna and flora⁴. The corridor and dispersal pathways within the park allow fauna to move through the landscape. Planted eucalypts, she-oaks and camphor laurel are present along Saleyards Creek canal providing perches and food for Australasian Figbird, Eastern Rosella and Crested Pigeon.

To provide shelter and support hollow-nesting birds, micro chiropteran bats and brushtail and ringtail possums, artificial nest boxes have been installed in old planted figs along Saleyards Creek canal. The park features examples of Sydney Golden Wattle, Parramatta wattle, Sweet Bursaria, Pine-leaved Bottlebrush, River She-oak, River oak, Kangaroo Vine, Scurvy Weed, Blue Flax Lily, Berry saltbush, Red Mahogany, Fig, Bleeding Heart Tree, Spiny-headed Mat rush and Sweet pittosporum

Community volunteers through Bushcare programs and those participating in National Tree Day have assisted with much of the planting as well as weed removal. National Tree Days were held in Airey Park in 2017.

⁴ Strathfield Fauna Study (2017) and Strathfield Biodiversity Strategy (2019)

3.6 Condition of the land and structures on adoption of the plan

The criteria for assessing the condition of land and structure upon adoption of this plan of management are shown in Table 4 and the interpretation of the condition of infrastructure in Table 5.

Table 4 - Condition rating assessment criteria

Rating	Descriptor	Guide	Residual Life as a % of Total Life	Mean % age residual life
1 Excellent	Sound physical condition. Asset likely to perform adequately without major work.	Normal maintenance required	>86	95
2 Good	Acceptable physical condition, minimal short term risk of failure.	Normal maintenance plus minor repairs required (to 5% or less of the asset)	65 to 85	80
3 Satisfactory	Deterioration evident, failure in the short term unlikely. Minor components need replacement or repair now but asset still functions safely.	Significant maintenance and/or repairs required (to 10-20% of the asset)	41 to 64	55
4 Worn	Deterioration of the asset is evident and failure is possible in the short term. No immediate risk to health and safety.	Significant renewal required (to 20 - 40% of the asset)	10 to 40	35
5 Poor	Failed or failure is imminent or there is significant deterioration of the asset. Health and safety hazards exist which present a possible risk to public safety.	Over 50% of the asset requires renewal	<10	5

Table 5 – Condition of assets at Airey Park

Description	Condition
Alan Davidson Oval	Good
Arthur Cave Pavilion	Satisfactory
BBQ and picnic shelters	Satisfactory
Carparks	Satisfactory
Children's playground	Good
Cricket practice wickets (5)	Satisfactory
Fencing	Satisfactory
General park lighting	Satisfactory
Open space for informal recreational use	Satisfactory
Outdoor fitness equipment (around Alan Davidson Oval)	Satisfactory
Outdoor Table Tennis (2)	Satisfactory
Oval lighting	Good
Pathways	Satisfactory
Strathfield Child Care Centre (Fraser St)	Good
Strathfield Community Centre (Bates St)	Good
Strathfield Preschool (Bates St)	Good
Stretching outdoor fitness equipment (Bates St)	Excellent

3.7 Heritage

There are no statutory heritage listings associated with this land.

3.8 Photographs of Airey Park

Photographs are dated January 2019 and provide an overview of the various park uses and facilities.

4. Land Uses

4.1 Permissible uses and developments

The tables below set out the purpose/use of the land consistent with its land categorisation and the types of development generally associated with those uses. Facilities on community land may change over time, reflecting the needs of the community. The anticipated uses, and associated development, identified in Tables 6-9 are intended to provide an overview or general guide. Development is subject to requirements set out in clauses 4.2 and 4.3

Table 6 – Permissible uses of land categories – Park

Purpose/Use	Development
<ul style="list-style-type: none">• Active and passive recreation including children's play• Group recreational use, such as picnics and celebrations• Publicly accessible ancillary areas eg toilets• Festivals, fairs, similar events and gatherings• Low intensity commercial activities• Filming and photographic projects• Public address (speeches)• Easement, utilities and estate• Community gardening	<ul style="list-style-type: none">• Development for the purposes of improving access, amenity, and the visual character of the park eg paths, pergolas, flagpoles, lights, water bubblers, seating, paved areas, hard and soft landscaped areas etc• Development for the purposes of active recreation eg play equipment, children's playgrounds, exercise equipment, courts etc• Amenities to facilitate leisure use of the park eg picnic tables and shelters, BBQ's & sheltered eating areas• Kiosk/café, mobile food vans or refreshment areas• Restricted access ancillary areas (e.g. storage areas associated with functions, gardening equipment)• Transport access and service areas ancillary to the use of land (eg public transport, car parking, loading zones, bicycle racks)• Community gardens• Off-leash areas• Heritage and cultural interpretation eg signs, public art etc• Locational, directional and regulatory signage• Advertising structures and signage (such as A-frames and banners) that relate to approved uses/activities, discreet and temporary and approved by Council.• Water/Energy savings initiatives

Table 7 – Permissible uses of land categories – Sportsgrounds

Purpose/Use	Development
<ul style="list-style-type: none"> • Active and passive recreational and sporting activities consistent with the nature of the particular land and any relevant facilities • Organised and unstructured recreation activities • Community events or gatherings, and public meetings • Commercial uses associated with sports facilities • Easement, utilities and estate 	<ul style="list-style-type: none"> • Development for the purpose of conducting and facilitating organised sport • Sportsfields (turf and synthetic) including cricket, football, soccer, track and field athletics, baseball, softball etc • Courts (basketball, netball, badminton, tennis, hockey, badminton etc) • Amenities eg change room, lockers, shower/toilet facilities, first aid rooms, seating • Café or kiosk facilities, mobile coffee cart or food vending subject to site assessment and Council approval • Car parking and loading areas • Ancillary areas eg staff rooms, meeting rooms, equipment storage areas • Shade structures • Seating and scoreboards • Sports or fitness training, and practice facilities • Heritage and cultural interpretation eg signs, public art • Advertising structures and signage (such as A-frames and banners) that relate to approved uses/activities, discreet and temporary and approved by Council. • Water/Energy savings initiatives • Lighting and water (eg taps, bubblers)

Table 8 – Permissible uses of land categories – General Community Use

Purpose/Use	Development
<p>Provides a location for, and supports, the gathering of groups for a range of general social, cultural or recreational purposes</p> <p>Includes multi-purpose buildings e.g. community halls, clubhouses, childcare etc. Uses may include:</p> <ul style="list-style-type: none"> • casual or informal sporting and recreational use • meetings (including for social, recreational, educational or cultural purposes) • functions • leisure or training classes including fitness • educational and community centres, including libraries, information and resource centres 	<p>Development for the purposes of social, community, cultural, recreational activities, including:</p> <ul style="list-style-type: none"> • landscaping and finishes, improving access, amenity and the visual character of the general community area • provision of buildings or other amenity areas to facilitate use and enjoyment by the community • development (particularly within buildings) for the purposes of addressing community or recreational needs (e.g. community hall, leisure centre, indoor courts) • casual, seasonal, licence or lease agreements may be permitted consistent with purpose or use of facility.

Table 9 – Permissible uses of land categories – Natural Area (Bushland)

Purpose/Use	Development
<ul style="list-style-type: none">• Walking and cycling• Guided bushwalks and bird watching• Environmental programs and scientific study• Preservation of biodiversity and habitat• Bush regeneration and revegetation works• Relaxation and passive informal recreation	<ul style="list-style-type: none">• Interpretative, regulatory and directional signage• Low impact lighting• Low impact carparking• Low impact pathways• Passive recreation• Seating• Small ancillary building eg storage and amenities for site maintenance• Water saving initiatives eg swales, sediment traps, rainwater gardens

In some instances, physical assets may be located on land, which falls into different categories. For example, community halls may be located on land categorised as Park, or on land categorised for General Community Use.

4.2 Future development and use of the community land

Minor changes to community land may occur on a routine basis, such as replanting and replacement of damaged or worn infrastructure eg play equipment. In the event of potential future development, proposed changes of use of community land will:

1. Meet legislative requirements – land use tables (zoning) in the Strathfield Council Local Environmental Plan specifies the range of uses and activities that may be permitted on the land. A number of uses are also set out in the Regulations to the *Local Government Act 1993*.
2. Be consistent with the guidelines and core objectives of the community land category - under the *Local Government Act 1993* uses and development of community land must be consistent with the guidelines for categorisation and the core objectives of each category, and any other additional objectives the Council proposes to place on the community land categories.
3. Be consistent with relevant Council policies - substantial upgrades and proposed new development will take into account a range of factors, including:
 - this Plan of Management and the core objectives for the land
 - the planning controls for the land
 - Council's adopted policies
 - the characteristics of the land affected, including existing and future use patterns
 - any landscape masterplan for the land.

4.3 Scale and intensity of land use

The scale and intensity of use and development associated with community land in Strathfield is generally dependent on:

- the nature of the approved uses and developments
- approved Development Applications and any conditions
- an approved masterplan

- the physical constraints of the land
- the carrying capacity of the land
- relevant government legislation
- permissible times of use
- proximity of neighbours

The scale and intensity of use of parks and sportsgrounds should be monitored by:

- regular inspection of the physical impacts on the park or sportsground
- consideration of reports regarding any conflicts between park and sportsground users or from adjoining neighbours

4.4 Authorisation of leases, licences or other estates over community land

The Act requires that any lease or licence of community land must be authorised by a Plan of Management. The lease or licence must be for purposes consistent with the categorisation and zoning of the land.

The maximum period for leases or licences on community land permitted under the Act is 21 years. If a lease or licence is proposed, then public notice should be given in accordance with the requirements of the Act.

Where a lease arrangement has been entered into with Council for community land, subleasing the land may only occur with specific permission of Council and in accordance with the requirements of Section 47C of the Act, Clause 119 of the *Local Government (General) Regulation 2005* and conditions set out in agreements.

This Plan of Management authorises existing leases and licence agreements until the end of their current term. The leased or licensed areas may be renewed or changed in future. The leased or licensed areas may be reconfigured in the future to reflect changes in community needs.

This Plan of Management authorises Council to grant leases, licences or any other estates for community land covered in this Plan of Management for purposes and uses which are identified or consistent with those in Tables 6-9. Some examples of longer term arrangements, via licence, lease or other estates are outlined in the following Table 10. Shorter arrangements (for example, a short term agreement associated with a particular event, or an activity recurring regularly either via annual or seasonal agreement) are set out in Table 11.

Calculations for fees and charges for leases and licences will be based on independent market rental valuations that are based on comparisons to similar services and facilities with similar locations, building and land conditions. As a minimum standard, the financial return from licence fees should offset asset maintenance, renewal and any operational costs. Council may also apply subsidies to not for profit organisations where there are demonstrated community benefits or financial hardship. Subsidies are generally not applied to agreements with commercial operators.

Table 10 – Leases, Licences and other estates

Type of Arrangement Authorised	Land and Facilities covered	Purposes for which long term leasing/licensing will be granted
Licence or lease	Park Sportsground	<p>Any lease or licence proposal will be individually assessed and considered, including the community benefit, compatibility with this Plan of Management and Council's goals and objectives in its Community Strategic Plan and Delivery Program and the capacity of the land area to support the activity. Sympathetic, compatible uses include:</p> <ul style="list-style-type: none"> • sporting and recreational purposes, including formal sports, fitness activities and games • kiosk, café, mobile food vending and refreshment purposes • use of court or similar facilities • work sheds or storage areas required in connection with maintenance • signs • temporary erection or use of structures to enable a filming project or works to be carried out
Licence or lease	Natural Area (Bushland)	<p>Any lease or licence proposal will be individually assessed and considered, including the community benefit, compatibility with this Plan of Management and Council's goals and objectives in its Community Strategic Plan and Delivery Program and the capacity of the land area to support the activity. Sympathetic, compatible uses include:</p> <ul style="list-style-type: none"> • educational or environmental programs, scientific studies and surveys or similar • walkways, pathways, bridges or causeways • signs, observation platforms • temporary erection or use of structures to enable a filming project or works to be carried out
Licence or lease	General Community Use (community land and buildings)	<p>Any lease or licence proposal will be individually assessed and considered, including community benefit, compatibility with this Plan of Management and Council's goals and objectives in its Community Strategic Plan and Delivery Program and the capacity of the area to support the activity.</p> <p>Sympathetic, compatible uses may include:</p> <ul style="list-style-type: none"> • child care, vacation care, health providers associated with the relevant facility • community purposes including meetings, workshops, learning • cultural purposes including concerts, dramatic productions, and galleries • recreational purposes including fitness, dance and games • kiosk, café and refreshment purposes

Type of Arrangement Authorised	Land and Facilities covered	Purposes for which long term leasing/licensing will be granted
Other Estates	Park Sportsground General Community Use Natural Area (Bushland)	<p>This Plan of Management allows Council to grant 'an estate' over community land for the provision of public utilities and works associated with or ancillary to public utilities in accordance with the <i>Local Government Act 1993</i>.</p> <p>Estates may also be granted across community land that is not affected by endangered communities for the provision of pipes, conduits, or other connections under the surface of the ground for the connection of premises adjoining the community land to a facility of the Council or other public utility provider that is situated on community land.</p>

The grant of a lease or licence is an important step in using community land, but there may be other requirements relevant to any proposed use. For example, the refurbishment of a kiosk may also require development consent under the *Environmental Planning and Assessment Act 1979*. Any interested person should check carefully to make sure they are aware of all relevant requirements.

4.5 Short Term Uses

Agreements for use of community land may be granted for short duration, which may include casual hires, seasonal use (eg sportsfields) or regular hire arrangement. These short-term arrangements should be for the types of uses identified in Table 11 and consistent with prevailing Council policies.

Table 11 – Seasonal, regular and casual use agreements

Community land category	Purposes for which short term uses may be granted subject to council approval	Requirements
Park	<ul style="list-style-type: none"> community events and festivals playing a musical instrument, or singing for fee or reward picnics and private celebrations such as family gatherings filming and photography session public performances engaging in an appropriate trade or business 	<ul style="list-style-type: none"> the proposed use must comply with terms and conditions approved e.g. SafeWork NSW regulations, insurance, waste management etc. the use should not result in physical damage to the park, sportsground or natural area the use should not result in a significant adverse impact on adjoining residents or disturbance to nearby residents organisers of the site should be responsible for cleaning up the site and notify authorities and Council of any damage or incidents that may occur
Sportsgrounds	<ul style="list-style-type: none"> community events and festivals sporting fixtures and events sports and fitness training and classes filming or photography of sporting fixtures or events uses reasonably associated with the promotion or enhancement of sporting groups, fixtures and events 	
Natural Area (Bushland)	<ul style="list-style-type: none"> educational or environmental programs, scientific studies and surveys or similar temporary erection or use of structures to enable a filming project to be carried out 	
General Community Use	<ul style="list-style-type: none"> meetings, seminars and presentations, including educational programs events consistent with the size of facility and its terms and conditions 	<ul style="list-style-type: none"> the proposed use must comply with terms and conditions for facility use the use should not result in physical damage to the facility organisers of the site should be responsible for cleaning up the site and repairing any damage that may occur.

In assessing community land categorised as Park, Sportsground, Natural Area (Bushland) or General Community Use as a venue for any proposed utilisation, the Council applies the following minimum criteria:

- Council reserves the right to refuse bookings based on previous unsatisfactory payment or performance history or where proposed use would damage the facility or cause significant disruption to other regular users.

- Fees for short-term casual bookings will be charged in accordance with Council's adopted Fees and Charges at the time.

DRAFT

5. Management of the land

5.1 Objectives and management of community land

The land is managed in accordance with the objectives and methods set out below:

Table 12 – Objectives, means and performance measures

Issues	Objectives and performance targets of the plan with respect to the land	Means by which Council proposes to achieve the plan's objectives and performance targets	Manner in which Council proposes to assess its performance with respect to the plan's objectives and performance targets
Access	<ol style="list-style-type: none"> 1. Provide safe and improved access to the parks, sportsgrounds and general community use properties for pedestrians and cyclists. 2. Provide access to and within parks for people with disabilities. 	<ol style="list-style-type: none"> 1. Upgrades, refurbishments and/or improvement works on community land to consider public access requirements for mobility and connections. 2. Proposed ramps, stairs and pathways to comply with relevant Council and BCA requirements consistent with Australian Standards. 	<ol style="list-style-type: none"> 1. Audits of community land and facilities to comply with standards
Amenity and Character	<ol style="list-style-type: none"> 1. Ensure Council's community land and facilities contribute to the amenity and character of the Strathfield LGA. 2. Promote parks, sportsgrounds and community use properties as desirable places for recreation, community celebration and commemoration. 	<ol style="list-style-type: none"> 1. Provide parks, facilities and pathways as attractive destinations. 2. Maintain and enhance community land and facilities 3. Promote parks, sportsgrounds and facilities in local media and website. 	<ol style="list-style-type: none"> 1. Consult with residents and users regarding satisfaction of parks and facilities 2. Monitor and action complaint data
Community Facilities	<ol style="list-style-type: none"> 1. Provide sustainable community facilities for a range of community, social and other compatible activities. 	<ol style="list-style-type: none"> 1. Building and structure design specifications to consider park, sportsground and general community use character, expected use and environmental sustainability features. 	<ol style="list-style-type: none"> 1. Monitor usage of community facilities as measured by bookings. 2. Community satisfaction surveys.

Issues	Objectives and performance targets of the plan with respect to the land	Means by which Council proposes to achieve the plan's objectives and performance targets	Manner in which Council proposes to assess its performance with respect to the plan's objectives and performance targets
	2. Ensure buildings positively contribute to community land amenity, facilitate a range of uses and have regard for environmental sustainable design, resource use and maintenance.	2. Provide community facilities which are multi-purpose and flexible to a range of appropriate uses. 3. Ensure community facilities are universally accessible. 4. Community facilities meet sustainable building requirements and/or are progressively upgraded to incorporate best practice energy and water efficiencies.	3. Facility inspections and audits. 4. Monitor comments and complaints
Environmentally Sustainable Principles	1. Manage community land to ensure best environmental management practises and principles having regard to environmental sustainable design, resource use and maintenance.	1. Promote and monitor energy efficiency 2. Minimise use of water 3. Implement waste reduction programs 4. Utilise natural heating and cooling	1. Measure and monitor via plans and strategies such as Energy and Water plans. 2. Monitor usage and trends via quarterly and annual consumption and billing. 3. Monitor and minimise water and energy use in parks, sportsgrounds and ancillary facilities.
Historical and Heritage Significance	1. Appreciation and interpretation of the historical and/or heritage significance of the site and structures e.g. memorials in terms of both natural and cultural components.	1. Undertake, when required, historical research or heritage and cultural assessment studies to identify cultural and heritage values for retention and interpretation. 2. Incorporate historical information on property signage to enhance understanding and appreciation of the site and the history it represents, where relevant. 3. Promote sense of place and local identity	1. Retention and interpretation of heritage and cultural values provides increased appreciation of the property and its history through community consultation.
Landscape Character	1. Maintain and improve landscape character and visual quality of public open spaces	1. Manage replacement planting strategies to ensure improvement to the current character. 2. Maintain consistency in selection and design of park and sportsground furniture, paving,	1. Community consultation including surveys regarding community views

Issues	Objectives and performance targets of the plan with respect to the land	Means by which Council proposes to achieve the plan's objectives and performance targets	Manner in which Council proposes to assess its performance with respect to the plan's objectives and performance targets
		fencing that is appropriate to the setting and the sport or activity type. 3. Implement & maintain co-ordinated signage strategy	
Managing assets	1. Provide effective and efficient management of community land and facilities	1. Schedule regular inspections and condition assessments. 2. Inclusion of maintenance standards in licence, lease or hire agreements. 3. Provide waste and recycling bins to cater for public use. 4. Regular waste and recycling collection to minimise litter overflow	1. Measure against Service Standard KPIs. 2. Respond to complaints and audits. 3. Monitor agreements 4. Review and update asset management plans periodically
Natural Environment and Bushland management	1. To maintain and enhance the health of park ecology, including flora and fauna, trees and soil	1. Manage trees, gardens and natural areas to maintain and improve the quality of the environment in accordance with Council's tree management and biodiversity strategies and plans. 2. Retain habitat trees, protect foraging habitat and create/maintain habitat corridors through revegetation where possible 3. Ensure revegetation is undertaken using locally sourced stock from agreed planting lists (refer Strathfield Biodiversity Strategy) 4. Maintain weed management program to minimise spread of weeds 5. Implement actions where required under recovery or threat abatement plan.	1. Measure and monitor tree canopies, vegetation, weeds and habitat. 2. Undertake periodic flora and fauna reviews

Issues	Objectives and performance targets of the plan with respect to the land	Means by which Council proposes to achieve the plan's objectives and performance targets	Manner in which Council proposes to assess its performance with respect to the plan's objectives and performance targets
Promote varied recreational uses	<ol style="list-style-type: none"> 1. Enhance opportunities for a balanced organised and unstructured recreational use of public open space 2. Optimise public access to public open space. 3. Maintain condition and useability of sportsgrounds and 'sustainable capacity'. 	<ol style="list-style-type: none"> 1. Capital works program to plan for improvements and upgrades to community land. 2. Promote a range of organised and informal/unstructured activities on community land 3. Provide amenities that support use and enjoyment of parks and sportsgrounds e.g. toilets, change rooms and kiosk/café facilities. 4. Enforce provisions for management of dogs on community land as per requirements of Council's Companion Animal Policy. 	<ol style="list-style-type: none"> 1. Monitor local use of parks and sportsgrounds by bookings, surveys, complaints and observation.
Safety and Risk Management	<ol style="list-style-type: none"> 1. Provide safe use and access to public land and facilities. 	<ol style="list-style-type: none"> 1. Design and maintain layouts, landscaping and facilities in accordance with CPTED principles (Crime Prevention through Environmental Design) principles including passive surveillance, good sight lines, territorial reinforcement and space management and lighting. 2. Review lighting and security for both day and night time use. 3. Work with local police to identify and act on safety issues. 4. Install and maintain facilities in accordance with relevant Australian standards. 5. Repair vandalism or graffiti within 48 hours where possible. 	<ol style="list-style-type: none"> 1. Works to be in accordance with relevant Australian Standards and CPTED principles. 2. Monitor and action incident and accident reports.
Traffic and Parking	<ol style="list-style-type: none"> 1. Ensure traffic and parking requirements provide a safe 	<ol style="list-style-type: none"> 1. Minimise use of vehicles on community land and regulate and monitor vehicle access. 	<ol style="list-style-type: none"> 1. Reduced pedestrian, cyclist and vehicle conflicts.

Issues	Objectives and performance targets of the plan with respect to the land	Means by which Council proposes to achieve the plan's objectives and performance targets	Manner in which Council proposes to assess its performance with respect to the plan's objectives and performance targets
	environment for park, sportsgrounds and general community use property users and do not impact on the amenity of the properties.	<ol style="list-style-type: none"> 2. Installation of signage preventing vehicles from entering unauthorised areas. 3. Where vehicles are permitted, provide clearly marked vehicle movement areas 4. Provide access for emergency or works services. 	<ol style="list-style-type: none"> 2. Improved public safety. 3. Traffic access to community land is via agreement.
Use agreements	<ol style="list-style-type: none"> 1. That use arrangements facilitate wide community access to community land, community benefits and support financial sustainability. 	<ol style="list-style-type: none"> 1. Licence, leases, estates and short term use agreements comply with legislative and policy requirements. 	<ol style="list-style-type: none"> 1. Monitor agreements in accordance with terms and conditions of agreement.

DRAFT
