The above heavy patching road works have been scheduled as part of Council's road improvement program 2020-21. These works involve heavy patching, milling and asphalt overlay at Pemberton Street, Strathfield.

During the works, the affected areas will be barricaded and signposted accordingly and we would appreciate that these arrangements are adhered to at all times.

In the event of inclement weather, the works will be carried out in the next available shift. Whilst Council has tried to minimise the impact on residents, pedestrians and road users during these works, it is anticipated that there will be some inconvenience.

Council appreciates your co-operation during this time. Should there be any queries, please contact the contractor's representative Huss on 0404 053 222 or undersigned on 0427 452 392.

Yours Faithfully,

Fred Thinesh  
**Manager, Civil Design**
