<b>Estimated Start Date:</b>	Monday, 1 March 2021 (weather permitting)
<b>Estimated Finish Date:</b>	Wednesday, 3 March 2021 (weather permitting)
<b>Working Hours:</b>	6pm to 7am Tuesday night the 2 <sup>nd</sup> March

The purpose of the letter is to inform you that Council is progressing with the Homebush Town Centre Upgrade Project and the making of Burlington Rd into a one way road is a major part of the project which will deliver increased kerbside parking available to our Community.

90 degree parking will be provided for on the northern side of Burlington Rd and two (2) new roundabouts will be implemented - one at The Crescent and Rochester St and the other at Rochester St and Burlington Rd.

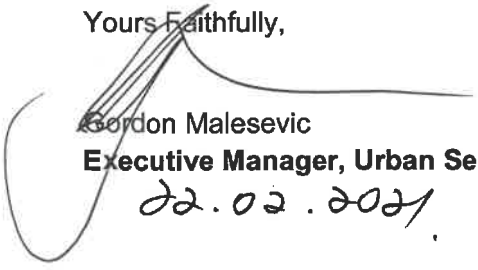

Council will engage traffic controllers during and for a period of time after the works to assist our residents entering and existing their properties and to assist with the implementation of the new one way of Burlington Rd namely heading in the westerly direction from Homebush Rd to Meredith St.

During the works on road parking will be limited and we do acknowledge the inconvenience it will cause to our residents, but we ask for your understanding and cooperation as we will endeavour to carry out the works as quickly as possible.

In the event of inclement weather, the works will be carried out in the next available shift.

Again, Council appreciates your co-operation during this time. Should you have any queries, please contact the contractor's representative Ali on 0449 205 705 or Council's Fred Thinesh on 0427 452 392.

Yours Faithfully,

Gordon Malesevic
