

Road work on Liverpool Road, Strathfield

Transport for NSW | March 2021

From Wednesday 10 March, Transport for NSW will be repairing concrete on Liverpool Road, Strathfield.

The work will take place for up to six night shifts over a six week period during March and April 2021. We will be repairing the concrete road surface of Liverpool Road, Strathfield, at the intersection with Homebush Road.

Our maintenance work aims to:

- provide a smoother road surface with consistent driving conditions
- prevent or minimise damage to roads from weather and wear and tear
- increase safety
- reduce maintenance costs.

Thank you for your patience during this important work.

Engaging with the community

To ensure we protect public health and safety during the Coronavirus outbreak, we need to change the way we consult with the community.

Please be assured we will continue to respond to any questions or concerns you may have about our work.

How will the work affect you?

Our work needs to be carried out at night to minimise traffic disruption and reduce safety risks to workers and motorists.

It may be noisy at times but we will do everything we can to minimise impact, including completing the noisier tasks such as jack hammering and saw cutting by **midnight**.

To minimise disruption to residents, businesses and road users, we will not work more than two nights in any week.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

The NSW Government is carrying out this essential work as part of ongoing maintenance of the State road network.
