The above civil and road works have been scheduled as part of Council's traffic improvement program 2020-21. These works involve construction of a new concrete roundabout and milling and asphalt overlay works at this intersection and associated line marking works.

This intersection will be closed to traffic except for emergency vehicles. Also, local residents will have access to their residence.

In the event of inclement weather, the works will be carried out in the next available shift. Whilst Council has tried to minimise the impact on residents, pedestrians and road users during these works, it is anticipated that there will be some inconvenience.

Council appreciates your co-operation during this time. Should there be any queries, please contact the contractor's representative Ali Herz on 0408 488 938 or undersigned on 0427 452 392.
