The above road works have been scheduled as part of Council's road works program 2020-21. These works involve milling and relay asphalt at Prentice Lane, Strathfield.

During the works, the affected areas will be barricaded and signposted accordingly and we would appreciate that these arrangements are adhered to at all times.

In the event of inclement weather, the works will be carried out in the next available shift. Whilst Council has tried to minimise the impact on residents, pedestrians and road users during these works, it is anticipated that there will be some inconvenience.

Council appreciates your co-operation during this time. Should there be any queries, please contact the contractor's representative Nasser on 0405 053 137 or undersigned on 0427 452 392.

Yours Faithfully;
