STRATHFIELD COUNCIL

Disclosure Log

Government Information (Public Access) Act 2009

As at 10 November 2021

Under the *Government Information (Public Access) Act 2009*, Councils are required to maintain a 'Disclosure Log' that records information about access information applications. A Disclosure Log is part of the open access information that Councils are required to make publicly available.

Date application was decided	ECM document set ID	Description of the information to which access was provided in response to the application	Statement as to whether any of the information is now available from the agency to other members of the public and (if it is) how it can be accessed
