Dear Resident,

## **CONSULTATION ON IMPLEMENTING A PERMANENT FULL ROAD CLOSURE ALONG MINTARO AVENUE**

As resolved in item 6.5 of the April Local Traffic Committee meeting, 'Mintaro Avenue, Strathfield – Proposed Traffic Management Changes and Pocket Park' and as resolved by Council, Council is proposing to implement a permanent full road closure on Mintaro Avenue at the intersection of Mintaro Avenue and Noble Avenue, subject to resident consultation outcomes.

The proposal is to reclaim greenspace on Mintaro Avenue and make a 'pocket park' for use by the community while simultaneously improving road safety around this section of land by clearly defining vehicle travel paths.

The proposal includes the following changes via physical restrictions and regulatory restrictions as shown in Figures 1 and 2, respectively:

- Landscaping of in-filled area;
- Construction / reconstruction of surrounding footpath and pram ramps to better facilitate pedestrian access to paths and 'pocket park';
- Minor kerb widening to accommodate vehicle turning paths;
- Installation of 'Stop' priority at the intersection of Mintaro Avenue and Noble Avenue;
- Installation of double-barrier centre line marking and hazard alignment markers around the corner of Mintaro Avenue and Noble Avenue;
- 'No Stopping' restrictions to support the function of the double-barrier lines and the statutory 10m distance near an unsignalised intersection; and
- A total loss of approximately 5 on-street parking spaces

The results of the consultation will be brought back to the next available Traffic Committee meeting after the consultation deadline for a final decision on the proposal. Should the proposal proceed, Council will begin the process of implementing the closure.

If you would like to raise your support for or objection to the above proposal or require any questions for clarity before providing your response, please contact Council's Traffic Engineer, Jack Griffiths, via email at [council@strathfield.nsw.gov.au](mailto:council@strathfield.nsw.gov.au) or phone 9748 9999 between the hours of 8:00 AM – 4:30 PM Monday to Friday by **Friday 2<sup>nd</sup> June 2023**.
