CONDITIONS OF ISSUE

RESIDENT PERMIT ELIGIBILITY

A resident may be eligible for a parking permit, in accordance with the following conditions:

- The vehicle must be registered at the address of the applicant within the Resident Parking Scheme area
- Permits are not transferable
- According to the Roads and Maritime Service (RMS) guidelines, the maximum number of permits that may be obtained by a single house hold is two permits.
- The total number of permits that may be issued by Council is the number of vehicles registered at the property minus the number of on-site parking spaces within the property
- For a company vehicle, in addition to RMS registration documents, the applicant must supply a letter (on company letterhead), signed by an authorising officer which states the resident is an employee of the company for the current financial year and the vehicle is authorised for use by the resident to travel to and from work.
- If Council determines that permits are being abused or misused by residents, the resident may have their permit cancelled and excluded from the scheme for a period determined by Council
- The permit can only be allocated to a vehicle less than 6m in length and less than three tonnes mass limit and with only two axles. Caravans, trailers and boats are excluded from the scheme.

REPLACEMENT PERMITS

For a replacement permit, the following conditions apply:

If the permit is lost or destroyed:

- A Statutory Declaration is required, stating that the permit was lost or destroyed
- The lost or destroyed permit will become void

If a vehicle is sold and a new vehicle is registered at residence:

- Documentation of the sale of the vehicle
- Documentation of new vehicle ownership
- The old permit is to be removed from the vehicle before being sold

PERMIT DISPLAY

Permits must be displayed in accordance with the conditions below; fines may apply if the permit is displayed otherwise.

Resident Parking Permit

- The resident parking permit sticker must be affixed to the windscreen on the passenger side of the vehicle, and be clearly visible.

Visitor Parking Permit

- The visitor parking permit must be placed on the dashboard of the vehicle, on the passenger side and be clearly visible.

PARKING EXEMPTIONS

A parking permit enables the permit holder to be exempted from parking restrictions when:

- The signposted restrictions states "Permit Holders Excepted"
- The permit is displayed correctly (as detailed above)

Parking permits do not exempt permit holders from "No Stopping", "No Parking", "Bus Zone", "Disabled Parking" or unauthorised locations and other Resident Parking Areas.
