3. Government Information (Public Access) Act 2009 and Government Information (Public Access) Regulation 2010

In accordance with the above Act and Regulation, development applications and associated documents is prescribed as 'open access' information with the exception of:

- (a) the plans and specifications for any residential parts of a proposed building, other than plans that merely show its height and its external configuration in relation to the site on which it is proposed to be erected, or
- (b) commercial information, if the information would be likely to prejudice the commercial position of the person who supplied it or to reveal a trade secret.

Strathfield Council is required to make these documents available to the public for purposes of viewing or copying, which can include publication on Council's website at www.strathfield.nsw.gov.au

4. Reportable Political Donations

Under section 147(4) of the Environmental Planning and Assessment Act 1979 ('the Act') a person who makes a relevant planning application to a council is required to disclose the following reportable political donations and gifts (if any) made by any person with a financial interest in the application within the period commencing 2 years before the application is made and ending when the application is determined:

- 1. all reportable political donations made to any local councillor of that council
- 2. all gifts made to any local councillor or employee of that council.

Further information and disclosure forms are available from Council's website www.strathfield.nsw.gov.au or the NSW Department of Planning website at www.planning.nsw.gov.au/planning_reforms/donations.asp.

5. Public Information

The information provided on this application is considered to be public information

Copyright Notice: The Applicant is advised that Council may make copies (including electronic copies) of the development application and accompanying documents for the purpose of complying with its obligations under the Environmental Planning and Assessment Act 1979, the Local Government Act 1993 and Council's Notification Policy. In addition, the Council may make such further copies as, in its opinion, are necessary to facilitate a thorough consideration of the development application by Council and public participation in the development assessment process. This will include making copies of the advertised plans, supporting documentation and the determination available on Council's website to be viewed or printed out by members of the public. The Applicant is responsible for obtaining all copyright licences necessary from the copyright owners for this purpose.

Privacy Notice Strathfield Council is required under the Privacy and Personal Information Protection Act 1998 to collect, maintain and use your personal information in accordance with the Information Privacy Principles. Your personal information is being collected to process your application. Council may use your personal information for the purposes of processing your application. Council is regarded as the agency that holds the information and will not disclose your personal information without your consent unless authorised or required by law. You may apply to access or amend your information by contacting Council on 9748 9999 or at council@strathfield.nsw.gov.au

Warning: Applicants should be aware that if all the required information is not provided, the development application will not be accepted at the Customer Service Centre.

6 Applicant Signoff

I declare all the information supplied herein and in connection with this application is true and correct.

I declare that the estimate of costs of the project is the commercial value of the proposed works and is based on a properly prepared cost estimate or actual quote or contract competition price for the work.

I confirm that this application has been prepared addressing the relevant Local Environmental Plan (or Planning Ordinance) and Development Control Plan requirements. A Political Donation disclosure form has been completed (if applicable).

PART B: APPLICATION & SITE DETAILS

DA

Please note that all documents lodged with this Development Application, including Part B of this application form, are available for public access at Council's Customer Service Centre and may be published on Council's website in accordance with the Government Information (Public Access) Regulation 2010.

Council's DA guide explains the Development Application process and the required information in more detail. Also refer to the requirements of the DA checklist at the back of this form. Your proposal may require other approvals.

If a development application is required for the works and development consent has been issued by Council, a Construction Certificate is required before any building work can commence. A Construction Certificate can be issued by Council or an accredited person. If you choose Council, you have the option of applying for a Construction Certificate with your Development Application or at a later date.

From 7 May 2018, all development applications will require the **submission of one (1) paper copy set** of all the DA documentation, including the signed and completed DA form, checklist and plans drawn to a maximum scale of 1:100 or 1:200 on A3 size paper and on landscape orientation.

Applicants are also required to submit an **electronic copy** of all plans and documents on a CD/USB in PDF format. Refer to Development Application Checklist for more information.
