

APPLICATION FORM

Change of Street Number and/or Address (House Renumbering)

Made under the Local Government Act 1993 – Section 124, Order No. 8

This form should be used to apply for a change to existing street numbers and addresses and is not to be used for street numbering for a new dwelling or building.

Council will only consider changing a street number if there are difficulties associated with its identification (i.e. corner property or multiple frontages).

Council will not allow changes based on unlucky numbers, religious reasons, superstition, personal preference, number not good for business, inability to sell property or affecting value of property, etc.

To minimise any delay in a decision about your application, please ensure you read the instructions for applicants section on page 4 of the application, complete all five sections of the form and submit with the required application fees (Please refer to Fees and Charges, House Renumbering Application Fee, Page 27).

If you need assistance or for more information please contact Council's Customer Service Centre on 97489999.

You will receive a notice of determination once the application has been assessed.
