Tree Management Application

About this form

This form is to be used when proposing to remove or prune tree/s, where the property is not the subject of the DA. Refer to Section 4.1 of this DCP.

Use this form to apply for approval to carry out Tree Works.

This form is required so that Council can protect and manage the urban forest within the Strathfield Local Government Area and can ensure that the Tree Works:

- Comply with the Environmental Planning and Assessment Act 1979
- Comply with Part O of the Strathfield Consolidated Development Control Plan 2005
- Have no long term adverse impact upon the Urban Forest canopy across the Strathfield Local Government Area.
- Have no adverse impact upon neighbouring properties, and the visual amenity and landscape character of the area.

NOTE:

A Development Application is required for the removal/pruning of any tree or neighbouring tree on a heritage item, Heritage Conservation Area or Strathfield Council's Significant Tree Register.

Additional Information:

- Please read Part O of Strathfield's Development Control Plan 2005.
- It is the applicant's responsibility to provide sufficient information to support the reasons for the proposed tree works. Council may also identify the necessity for the submission of additional information following a preliminary assessment of the application, such as an arboricultural report, pruning specification, structural engineering report, plumbing report, landscape design plan and/or photographs. This information may assist in substantiating your request.
- All reports must comply with the provisions of Appendix 4 Part O of the Strathfield Consolidated Development Control Plan. Council will only accept reports from arborists with minimum Australian Qualification Framework level 5 (AQF5) in Arboriculture or equivalent.
- If the subject tree has been identified as posing an imminent risk to human life by an AQF5 Arborist, please contact Council on 9748 9999.
- Further information can be found at www.strathfield.nsw.gov.au

You can also discuss your proposal before lodging your Tree Management Application by contacting Customer Service on (02) 9748 9999.

NOTE: NEIGHBOUR'S TREES

What you need to know

- If you are requesting to remove a tree on a neighbouring property you must include the consent of the owner of the tree - Refer to Part 7.
- If you are requesting to prune overhanging branches from a neighbour's tree, you do not require the tree owner's consent but we recommend you discuss your intentions with the tree owner prior to submitting the application.
- All trees of height greater than 4m (unless on our exempt species list) are protected in the Strathfield Local Government Area.
- **We will notify your neighbour of your application** and they will be given 14 days to comment before it's determined. If we approve your application, all pruning must be done on your property – the permit **does not** give you or your contractor permission to enter your neighbour's place.
- Only your neighbour can give you permission to prune the tree from their property.

Please Note: You can only apply to **prune** a neighbour's tree. We will not accept your application if it relates to removing a neighbour's tree. We cannot grant you permission to remove your neighbour's tree without their consent.
