

NOTIFICATION – NIGHT WORKS

ROAD WORKS

To the Owner/Occupier

Dear Sir/Madam

Works: Road works

Location: Howard Street, Strathfield
(from Shortland Avenue to Myall Avenue)

Estimated Start Date: Tuesday, 28 June 2022 (weather permitting)

Estimated Finish Date: Wednesday, 29 June 2022 (weather permitting)

Working Hours: 7:00pm – 5:00am

As part of Council's road works program 2021-22, the above road works have been scheduled as night works due to end of financial year task, recent continuous wet weather back log and unavailability of contractor and Covid restrictions in late 2021. These works involve milling and asphalt overlay, heavy patching at Howard Street, Strathfield.

During the works, the affected areas will be barricaded and signposted accordingly and we would appreciate that these arrangements are adhered to at all times. These works are expected to complete in one (1) day and during the works, contractor may limit the on-street parking. Please note that emergency vehicle access is available at any point in time. Contractor will take every effect to minimise the noise all the times during the works. I understand that contractor has consulted individually and got the concurrence from all of you for us to allow this night work.

In the event of inclement weather, the works will be carried out in the next available shift. Whilst Council has tried to minimise the impact on residents, pedestrians and road users during these works, it is anticipated that there will be some inconvenience.

Council appreciates your co-operation during this time. Should there be any queries, please contact the contractor's representative Ali on 0449 205 705 or undersigned on 0411 017 346.

Yours Faithfully,

Fred Thinesh
Manager, Civil Design

Date: 26-06-22
