The above proposed works is to modify the existing pedestrian crossing to raised pedestrian crossing as part of Council's Local Area Traffic Improvement program 2022-23 to improve the safety of pedestrian, school children and vehicles.

During the works, the affected areas will be barricaded and signposted accordingly and we would appreciate that these arrangements are adhered to at all times. Contractor will be taking every possible steps to minimise the noise after midnight on these couple of nights.

In the event of inclement weather, the works will be carried out in the next available shift. Whilst Council has tried to minimise the impact on residents, pedestrians and road users during these works, it is anticipated that there will be some inconvenience.

Council appreciates your co-operation during this time: Should there be any queries, please contact the contractor's representative Jim 0421 445 387 or undersigned on 0427 452 392.
