

## Ironbark Gallery Exhibits Visions with Variety: Celebrating Seniors

For immediate release  
13 January 2023

Strathfield Council is excited to announce the Ironbark Gallery's upcoming exhibition *Visions with Variety: Celebrating Seniors* which will be open to members of the public from 2 February – 5 March 2023.

In recognition of Seniors Week, the Ironbark Gallery will be showcasing the talents of our residents who participate in art classes held at the Strathfield School for Seniors, located on the grounds of The Uniting Church, Strathfield. This exhibition features a diverse array of works including oil painting, drawing, paper-based craft, and textiles.

In 1977 when the Strathfield School for Seniors was established, a committee was formed with an aim to create classes that focus on history, geography, art, French, German, craft, and music appreciation. It is these classes that continue to this day and are now part of the Strathfield School for Seniors, providing an opportunity for residents who share a similar interest to come together.

Join guest speaker, Helen Boyce, Coordinator for the Strathfield School for Seniors, as she officially opens the new exhibition at the Ironbark Gallery on Thursday 2 February. RSVP by Monday 30 January as there is limited capacity.

The exhibition runs from 2 February through to 5 March 2023 at the Ironbark Gallery located within the Strathfield Council Library & Innovation Hub, 65 – 67 Rochester Street, Homebush.
